

THIS WINTER!!!

Inside where there is no wind, no rainouts, great washrooms and the only lines on the floor are pickleball court lines. Plus, the playing season is longer and warmer than the outside one!!!

We Have 7 Dedicated Full-Size Courts with dividers at the Stony Plain Heritage Park Pavilion, just off the Yellowhead. Season starts early October and ends in early May. We play during the day and in the evening Monday through Thursday. We offer play at all skill levels, as well as learn to play opportunities.
