Deadline August 24

CALLING ALL CLUBS

Include Pickleball Alberta Day on your club event calendar! If you already have programming scheduled for Saturday, August 10, make sure to spread the word of the special occasion to your members and consider including Pickleball Alberta Day promotion in the planned programming.

When planning, take a look at the prizes we will be offering the clubs! Consider learn-to-play sessions to attract new members in your communities or get your current members together for some fun matches, practices, or skills sessions to celebrate the day.

Here are some ideas of events you could organize in your club or community:

Learn-to-play sessions

Fundraising activity

Tournament

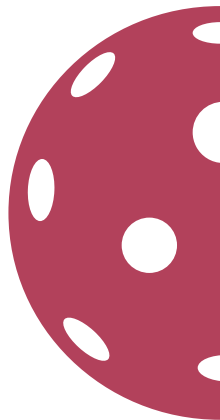

BBQ and play

Bring a friend day

Skills and drills session

The possibilities are endless! Find what works best for your club or community and keep the focus on fun and inclusivity.
