Garand Jones, the Director of Officials, has graciously agreed to extend his term for an additional two years at our Annual General Meeting on September 26, 2024. We are immensely grateful for his commitment and express our heartfelt thanks.

Additionally, we would like to acknowledge the contributions of other Board members whose terms have expired: Murray Young, who served as Secretary; Brenda Feser, our Membership Director; and Dean Kroetsch, the Junior Director. The teamwork and selflessness displayed by each of you in support of our pickleball community have been exemplary, and we cannot thank you enough.
