## AROUND THE POST

As the Director of Officiating for Alberta, I am pleased to share that Pickleball Alberta (PA) continues to prioritize the importance of clubs hosting sanctioned tournaments and utilizing officials. To support this priority, PA has approved significant funding to assist clubs that host sanctioned tournaments and utilize officials.

Clubs who host a Pickleball Canada Sanctioned Tournament utilizing officials for all of the matches will receive \$1,000 through the PA Officiating Budget. This, along with all of the other benefits including insurance coverage provided through Pickleball Canada Sanctioning, is of significant value. And most importantly players appreciate having officials to ensure a level playing field when entering sanctioned tournaments.

If you choose to hold a sanctioned tournament and only referee the pre-medal and medal matches, you can qualify for \$500 under this program. As the Director of Officiating, I do recommend that you consider having your tournaments sanctioned and have referees for each and every match. Funds will be distributed after the sanctioned tournament is completed and your invoice has been received.

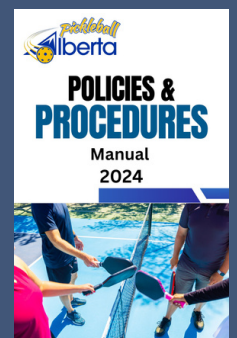

Please note that there is an overall limit of funds available under this program and once that limit of funds is reached the funds are exhausted for the calendar year.
